Speaking on the occasion, Sujay said, "We are fortunate to have an institution in himself, Amitabh Bachchan inaugurating the new facility."

The Jamnabai Narsee International School, located in the western suburbs of Mumbai, aims to provide quality education, right from the primary school years through to the International Baccalaureate Diploma Programme (IBDP) at the high school level.

He added, "The IB continuum of International Education is unique because of its academic and personal rigour. The programme will challenge students to excel in their studies and in their personal growth, with the aim to inspire a quest for learning throughout life that is marked by enthusiasm and empathy."
