

Jamnabai Narsee School will greet students with a host of facilities

Besides an upgraded lab and a new children's activity room, students will have 3 new courses to choose from

MUMBAI MIRROR BUREAU

Jamnabai Narsee School, Juhu, is all geared up to greet its students as school re-opens on Monday, with lots of new things on offer. Besides a new activity room for the young ones and an upgraded science laboratory for the older ones, they have also introduced three new courses—International General Certificate in Secondary Education (IGCSE), Indian School Certificate (ISC) and a Finishing School.

Sujay Jatra, 24, School Trustee, said, "Students can opt

for the IGCSE course from Std VIII. The course is affiliated to the Cambridge University in UK. After finishing Std X with IGCSE, they can opt for our International Baccalaureate (IB) programme which is till Std XII. This will familiarise them with international education standards in case they wish to join a foreign university later."

Jamnabai Narsee will also be starting an Indian Secondary Certificate (ISC) course in arts in Std XI and XII. Those who have passed Std X from ICSE (Indian certificate of secondary

education) can enrol for ISC or IGCSE. There are 288 students in the school, of which 57 have scored above 90 per cent in their ICSE board exams and 140 have scored between 80 to 90 per cent.

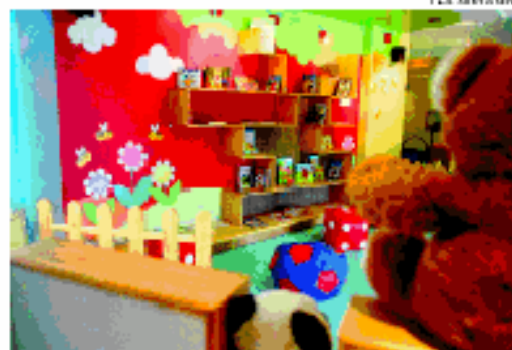

There is also a Finishing School that will open next month. "Along with personality development and grooming we will also be teaching yoga and meditation," Jatra said.

Sujay Jatra,
School Trustee

This course will be open to outsiders and classes will be held in the evenings.

The activity room for tiny ones was built last month and includes toys, a gym, a library and a puppet theatre. Around 900 pre-primary students are brought to this room twice a week in batches of 25.

To increase the security of its students the school is also planning to install 16 CCTV cameras on the ground floor. "As this is a reputed school, unscrupulous elements might try to play mischief, which is why we have got the cameras installed," Jatra said.
